## TWENTY-FIFTH ANNIVERSARY

Celebrated by Ladies' Aid Society.

PROGRAMS RENDERED

Large Congregations Present Morning and Evening.

Noted Out-of-Town Devines Present at Salem's Evangelical Church to Assist in the Services.

The twenty-fifth anniversary of the Ladies' Aid society of Salem's Evangelical church was observed in an appropriate manner by the members of the society and congregation Sunday. Two special services were conducted during the day at which time, programs arranged for the occasion were rendered. The attendance was exceedingly large and the audiences were highly pleased with the excellent service.

At the morning service, the program was conducted in German. It

opened with an organ prelude, after which the church choir rendered an anthem, "Rejoice in the Lord." The pastor, Rev. Joseph Reinicke gave a short address in which he extended cordial greeting to the visiting pastors, also to all the numerous visitors.

After services were conducted by Rev. C. W. Bernhardt, of Cleveland, following which the choir sang, "Lift High the Gates." The sermon of the morning was delivered by Rev. J. Diegel, president of the Ohio District Ladies' Aid Societies with headquarters at Massillon. The pastor spoke earnestly of the accomplishments of the society and pronounced it one of the greatest organizations for doing good in the country.

Mrs. Maria Zachman, secretary of the society, gave a very interesting sketch, portraying its rapid rise. She gave a brief review of its history and disclosed the key of its success. A congregational greeting was spoken by Mr. Herman Albrecht and was responded to by Mrs. Elise Blach. The program closed by repeating the Lord's Prayer.

## EVENING SERVICE.

The program for the evening was even a little more elaborate than that of the morning. It opened with an organ prelude rendered by Miss Marianne Reinicke. The choir rendered a pleasing selection, "We Laud His Name." Rev. J. Diegel, of Massillon, spoke a few words of cordial greeting after which the pastor, Rev. Mr. Reinicke conducted short devotional services.

Rev. H. Katerpohn, of Kenton, an able minister of wide reputation, was present and delivered a powerful sermon on the subject, "Lydia, the Great Heart." The speaker referred to the infancy of the Ladies' society and explained the difficulties which it encountered in rising. At the conclusion of the sermon, the choir rendered an anthem, "Send Out Thy Light."

The second sermon of the evening was delivered by Rev. C. W. Bernhardt, of Cleveland. He selected his text from the Twenty-fourth verse of the Tenth Chapter of Hebrews. "And let us consider one another to provoke unto love and good works." The pastor made an exhortation to hold fast to faith with patience and thanksgiving.

One of the most notable features of the entire program was a brief history of the Society read by the secretary, Mrs. Maria Zachmann. She began her interesting history by stating, "It was on the memorable sixteenth day of November, 1882, when a few of the Salem's Evangelical church, inspired by the pastor, Rev. Mr. Heininger, determined to organize a Ladies' Aid society. The organization was completed on the twenty-third day of November at a meeting held in the home of Mrs. Louise Haller, who became the first president and is this day in our midst."

"The constitution originally adopted by the society held as its object, the companionship of sisters in the church to aid the needy, to comfort the bereaved and to assist the home church and likewise missions. The years sped by and the society prospered. The tenth anniversary was held at the home of Mrs. F. Dehob, the pastor Rev. Mr. Bernhardt delivering the anniversary address. The fifteenth anniversary address, The home of Mrs. Henry Ackerman during the pastorate of Rev. Mr. Elernm. The twentieth anniversary took place during the pastorate of Rev. Mr. Fleer."

"The contributions of the society during the twenty-five years of its existence sum up in the figures \$2,670.49. The society has enjoyed a liberal growth, its present membership numbering 53."

Mrs. Zachman concluded her excellent paper by paying a touching tribute to the deceased members of the society. At the conclusion of the paper, Mrs. Frank Schaffner, president of the Harmonie society, gave a short address, expressing greetings for that organization.

The program closed with the benediction, followed by the doxology.

"Meet me at Kaler's Candy Shop." 11-12-1f

## DELAWARE MAN UNDER ARREST

Caught in Act of Stealing a Rig.

## FINALLY OVERPOWERED

Placed in Prison and is Then Bound Over to Court.

Police of the Opinion That Walter Winttingham Has Already Served Time for Embezzlement.

Returning on an errand to his horse and buggy which he had left a short time before on South Main street, near Church street, Christian F. Utz, a well-to-do farmer, found Walter Winttingham, of Delaware, making preparations to "cop" the outfit, Sunday night about six o'clock. Utz and a companion grabbed Winttingham and held him until the police arrived on the scene.

Mr. Utz, who resides about eight miles west of the city, came to Marion Sunday afternoon to attend the services at the Salem's Evangelical church in the evening. He tied his horse to a telephone pole on South Main street and went toward the church.

About fifteen minutes later he, with Perry Dawson, of this city, returned to the rig. They discovered a man had untied the hitching strap, taken off the blanket that was thrown over the horse and that he was preparing to drive away with the animal. Utz and Dawson rushed up and grappled with the man who put up a good fight but was overpowered. He was taken to the city prison by an officer.

In the mayor's court Monday morning Winttingham waived examination and was bound over to court his bond being fixed at \$300 which he was unable to furnish. The horse and buggy were valued at \$200. The police say that Winttingham has served time in the pen for embezzlement and that he has a bad record. Winttingham claims that he only intended to borrow the rig for a short ride.

A Rowen, a laborer, was arrested at five o'clock Sunday morning by Officer Shaffer, charged with stealing coal from cars near the plant of the Ohio Milling and Elevator company. It developed that Rowen had been sick for some time and that he was taking a few lumps of coal so that he could build a fire in the little room that he calls his home. L. J. Smith, general manager of the mill company refused to prosecute Rowen when he heard the circumstances and Rowen was dismissed with a warning.

Hugh Rooney was arrested by Officers Cusick and Babcock last night at the residence of P. V. Little, at the corner of Church and State street where he boards. Rooney was "fuller of a coat" and succeeded in breaking up a stove a chandelier and several pieces of furniture before the police arrived. He made arrangements to pay a fine of \$5.

William Green, a common drunk, was arrested Saturday night in the alley between Main and State streets by Officer Cusick and locked up in the city prison. At his hearing Sunday morning Green was fined \$5 by the mayor and was released when he made arrangements to pay the fine.

## THOMAS O'DAY HOME DESTROYED BY FIRE

Residence Burns to Ground Sunday Morning.

Neighbors Come to Assistance of Family and Some Goods are Saved.

The home of Thomas O'Day, located at Bell's Corners, near LaRue, was totally destroyed by fire which broke out Sunday morning about 6:30 o'clock. The loss will not exceed \$2,000.

The family had just arisen in the morning when it was discovered that the roof of the home was ablaze. The neighbors came to the family's assistance, but the flames had gained too great a headway and the fire licked everything up clean with the exception of a small amount of house furnishings which the men succeeded in carrying out of the burning building.

It is thought that the fire originated from a defective flue. The loss was only partially covered by insurance.

## CHILDREN BADLY BURNED

Victims of Serious Accident at LaRue.

## KETTLE SCALDING WATER

Overtaken by Mother on Her Two Small Babies.

Little Son and Daughter of Mrs. Clarence Vandemark Badly Scalded by Fiery Liquid.

Mrs. Clarence Vandemark attempted to carry a tea-kettle full of boiling water over the heads of her two babies who were playing on the floor by the fireside, when she accidentally dropped the vessel and as a result her little ones were terribly scalded. Mrs. Vandemark resides at LaRue and the accident occurred about 8:30 o'clock Monday morning.

The scalded children were Harold and Otha Vandemark aged three and one year respectively. When the tea-kettle struck the son's head, its lid came off and the boiling water poured out upon the child's face and shoulders, while the baby sister sitting near by was a victim of a part of the fiery fluid.

Dr. Siffritt, of LaRue, was hastily summoned and his examination disclosed that both children had sustained severe but not fatal burns. The arms, face and shoulders of the boy were badly scalded while the baby daughter was severely burned on the left leg. However, unless unforeseen complications set in, it is thought that both children will recover. The injured ones are the only children of Mr. and Mrs. Vandemark.

## CLYDE HOUPT BADLY INJURED

First Accident of Hunting Season.

## MARION MAN THE VICTIM

Wounded While in the Field near Kirkpatrick.

Small Clump of Bushes is All That Prevented a Tragedy—Accident Occurs Monday.

Clyde Houpt of the Houpt Monumental works, East Center street, this city, was accidentally shot and badly injured by his hunting partner, Orrin Rowe, of Kirkpatrick about 10 o'clock Monday morning.

Houpt left this city early Monday morning and went to Kirkpatrick, where he joined Rowe. The young men were hunting in a small thicket of underbrush located near that village, when the unfortunate accident occurred. A rabbit jumped up in front of Rowe and he let go a charge of No. 8 shot in its direction. It happened that the rabbit was running directly in front of Houpt and as a result both Houpt and the rabbit received the benefit of the charge.

The rabbit was killed outright but young Houpt was more fortunate and escaped with thirty shot holes in his left limb. He was hastily removed to the home of his partner and Dr. Baker, of Kirkpatrick, was summoned. It took the physician several hours to extract the small bullets, several of them having lodged deeply in the muscles. The physician is of the opinion that unless blood-poisoning sets in, the injuries will not result seriously.

Houpt was only about thirty feet away from the gun when it was discharged and out a small clump of bushes through which it was necessary for the charge of shot to pass in reaching him, saved his life.

This accident is the first of any consequence recorded so far for this hunting season.
